

Cliplight 973KIT DRY R & 979KIT Super Seal Ultra Pack

973KIT

979KIT

DRY R:

- Eliminates moisture and prevents acid formation.
- Compatible with all refrigerants and oils.
- Increases drier efficiency and increases life cycle of AC/R unit.
- Remains stable over the life cycle of the unit.
- Perfect for use with all Cliplight sealants.
- Complete, one time use – “throw away kit.”
- Easily installed in minutes.
- Non-corrosive and environmentally friendly.

Super Seal Ultra Pack:

- Ultra Pack includes DRY R & Super Seal.
- Dry & Seal air conditioning systems, 1.5 ton up to 5 ton, in 3 easy steps.
- DRY R dries out the system, while Super Seal closes hard to find Micron leaks caused by formicary and internal acid corrosion, vibration and temperature variation.
