

The “Cooler than Cool” Patio Cooler by Heat Controller!

This is a “seasonal” product and will only be available for a limited time, while supplies last!

- Perfect for patios, decks, porches, basements, TV rooms, offices and dorms.
- No need to buy bags of ice, simply roll the Patio Cooler wherever you need it and plug it in.
- Two wire baskets hold cans or bottles and lift out of cooler for loading or serving.
- Sleek stainless steel exterior and durable white, easy to clean, interior.
- Digital read-out clearly shows temperature inside Patio Cooler.
- Ball bearing casters roll easily, even over rough surfaces.
- Cooler holds:
 - 72 12-oz. cans or
 - 48 12-oz. bottles or
 - 26 750ml wine bottles
 - ... or any combination
